

More Than Just A Marina

ABOUT US

Mersin Marina, the largest marina in the Eastern Mediterranean, welcomes its guests with a capacity of 500 sea mooring and 500 land parking spaces.

In its dry dock area, equipped with a 160-ton travel lift, Mersin Marina provides lifting and launching services, bottom washing, and maintenance. Additionally, the experienced businesses in the area offer boat maintenance and repair services.

Operating under the concept of a "City Marina and Living Space," Mersin Marina offers more than 70 national and international branded stores, enriched landscaping, children's entertainment areas, sailing and optimist training, and a sports center within its living center since 2011.
